

§§ 3575.5–3575.7 [Reserved]

§ 3575.8 Access to lender's records.

Upon request by the Agency, the lender will permit representatives of the Agency (or other agencies of the U.S. Department of Agriculture authorized by that Department or the U.S. Government) to inspect and make copies of any of the records of the lender pertaining to the guaranteed loans. Such inspection and copying may be made during regular office hours of the lender or at any other time the lender and the Agency agree upon.

§ 3575.9 Environmental requirements.

Requirements for an environmental review or mitigation actions are contained in part 1940, subpart G, of this title. The lender must assist the Agency to ensure that the lender's applicant complies with any mitigation measures required by the Agency's environmental review for the purpose of avoiding or reducing adverse environmental impacts of construction or operation of the facility financed with the guaranteed loan. This assistance includes ensuring that the lender's applicant is to take no actions (for example, initiation of construction) or incur any obligations with respect to their proposed undertaking that would either limit the range of alternatives to be considered during the Agency's environmental review process or which would have an adverse effect on the environment. If construction is started prior to completion of the environmental review and the Agency is deprived of its opportunity to fulfill its obligation to comply with applicable environmental requirements, the application for financial assistance may be denied. Satisfactory completion of the environmental review process must occur prior to Agency approval of the applicant's request or any commitment of Agency resources.

§§ 3575.10–3575.11 [Reserved]

§ 3575.12 Inspections.

The lender will notify the Agency of any scheduled field inspections during construction and after issuance of the Loan Note Guarantee. The Agency may attend such field inspections. Any in-

spections or review conducted by the Agency, including those with the lender, are for the benefit of the Agency only and not for the benefit of other parties of interest. Agency inspections do not relieve any parties of interest of their responsibilities to conduct necessary inspections.

§ 3575.13 Appeals.

Only the borrower, lender, or holder can appeal an Agency decision. In cases where the Agency has denied or reduced the amount of final loss payment to the lender, the adverse decision may be appealed only by the lender. A decision by a lender adverse to the interest of the borrower is not a decision by the Agency, whether or not concurred in by the Agency. Appeals will be handled in accordance with the regulations of the National Appeals Division, U.S. Department of Agriculture, published at 7 CFR part 11.

§§ 3575.14–3575.16 [Reserved]

The Administrator may, in individual cases, make an exception to any requirement or provision of this subpart or address any omission of this subpart provided the Administrator determines that application of the requirement or provision, or failure to take action in the case of an omission, would adversely affect the Government's financial interest. Requests for exceptions must be in writing by the State Director.
